Sir:

IN THE CLAIMS

In claim 34, at column 107, line 47, after "the" and before "under" insert --computer processor to create a program context--.

REMARKS

Patentees' attorneys received a Patent Office Communication dated March 5, 2012 denying a Certificate of Correction for the error appearing at claim 34, column 107, line 51, indicating that an ambiguity arose due to the typeset line numbers in the patent not lining up correctly.
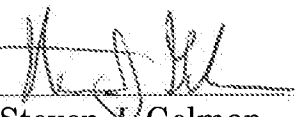

Patentees resubmit this request for correction after manually counting the line numbers in the patent. The error appears at claim 34, column 107, line 47 (located between typeset line numbers 50 and 55).

Patentees believe that the above error is of such a nature as to justify the issuance of a Certificate of Correction. Patentees have enclosed a completed Certificate of Correction Form PTO/SB/44.

Patentees respectfully request that the Certificate of Correction be issued.

Respectfully submitted,

Yates, Jr. et al.
